

2025 AIA Detroit

Celebration of Architecture

September 11th, The Majestic Theatre Detroit

The AIA Detroit Celebration of Architecture is the largest annual gathering of AEC professionals in Michigan, and AIA Detroit is proud to use it as a platform to showcase how Design can be a driver for sustainable and equitable development around the world.

AIA Detroit is honored to once again shine a light on local, allied organizations who are just as committed to discovering new ways in designing inclusive cities for all.

Join us on September 11th, at The Majestic Theatre, to recognize the individuals, firms, and organizations that have worked tirelessly to create a stronger community for everyone, and celebrate the 10th anniversary of becoming a UNESCO City of Design!
